

FIRST LINES OF 90's HITS.

Can you name the songs that were all hits in the 1990's, that have the following opening lines?

	FIRST LINE	SONG	ARTIST
1	Some call me the space cowboy, yeah,		
2	Oh baby baby, how was I supposed to know		
3	She came from Greece, she had a thirst for knowledge		
4	As I walk through the valley of the shadow of death		
5	If I should stay, I'll only be in your way		
6	Please could you stop the noise, I'm trying to get some rest		
7	Today is gonna be the day, that they're going throw it back to you		
8	If this world is wearing thin, and you're thinking of escape		
9	Help me escape this feeling of insecurity		
10	You say that we've got nothing in common, no common ground to start from		
11	All this talk of getting old, it's getting me down		
12	Sometimes I feel I don't have a partner, sometimes I feel like my only friend		
13	I feel like I've been locked up tight, for a century of lonely nights		
14	Yo I'll tell you what I want		
15	It's been seven hours and fifteen days since you took your love away		
16	I don't care if Monday's blue, Tuesday grey and Wednesday too		
17	Oh life, it's bigger, it's bigger than you		
18	Close your eyes, make a wish, and blow out the candlelight		
19	No matter how hard I try, you keep pushing me aside		
20	Every night in my dreams, I see you, I feel you		
21	I blame you for the moonlit sky, and the dream that died		
22	City dweller, successful fella		
23	You and me, we used to be together, every day together, always		
24	There's dancing, behind movie scenes		
25	Some say we are players, some say we are pawns
